

## **The Project Management Evolution: Project Management 2021**

Welcome to the ever-changing world of Project Management! Our world. We invite you to join us for an overview of the latest and greatest in Project Management, from Agile to Waterfall, and from Situational to Servant Leadership.

You will get insights into the changes within the industry, including an introduction to the new PMP® certification, the new Disciplined Agile certifications, and additional exciting new trends.

The Project Economy is here! Whether you are on the project management career track yourself, or working in an industry where there are projects, you will benefit from this day!
